- Liaison with the author to create and refine the author bio for Amazon
- Liaison with the author to create and refine the book blurb for Amazon (description copy)
- Purchase and allocation of 1 UK ISBN (Nielsen) for the eBook
- Professional eBook cover design (100Covers.com) – Amazon compliant
- eBook interior formatting suitable for Kindle
- KDP account setup (if required) and eBook upload
- Categories, keywords, pricing and territory configuration
- Proof checks and compliance troubleshooting
- End-to-end project management and coordination

Outcome

Your Kindle eBook is live on Amazon, professionally presented and sale-ready.

Tier 2 — Print & Presence (£2,000)

Purpose: Digital and print publication for authors who want a physical book and a consistent author presence.

Included Services (in addition to Tier 1)

- Guidance to purchase 2–3 UK ISBNs for eBook + print formats (paperback and/or hardback)
- Professional paperback and/or hardback cover design (using 100Covers.com)
- Print-ready interior formatting (trim size and print specifications coordinated)
- Author bio and book blurb adapted for print editions
- Paperback and/or hardback setup and publication via Amazon KDP Print
- Proof copy ordering guidance, review and sign-off support
- QR code creation (linking to the Amazon listing, or to the landing page if commissioned as a paid extra)
- Preparation of social media links for print and web use

- Ongoing project management and troubleshooting through publication

Outcome

Your book is live as an eBook and printed edition (paperback and/or hardback), professionally published and available to readers.
